NOTICE

This Order may be appealed to the Environmental Review Appeals Commission in accordance with the Revised Code section 3745.04 by filing a notice of appeal with the Environmental Review Appeals Commission within **thirty (30) days** of the date of mailing of this Order. Revised Code section 3745.04 states, in part:

...(B) Any person who was a party to a proceeding before the director of environmental protection may participate in an appeal to the environmental review appeals commission for an order vacating or modifying the action of the director or a local board of health, or ordering the director or board of health to perform an act. The environmental review appeals commission has exclusive original jurisdiction over any matter that may, under this section, be brought before it. However, the director has and retains jurisdiction to modify, amend, revise, renew, or revoke any permit, rule, order, or other action that has been appealed to the commission. The modification, amendment, revision, renewal, or revocation is subject to applicable public participation and public notice requirements and is subject to an appeal under this section or section 3745.07 of the Revised Code, as applicable. Not later than thirty days after the issuance of the modification, amendment, revision, renewal, or revocation, the director shall file with the commission and serve on each party to the existing appeal a statement notifying the commission and the party that the appealed action was revoked or describing how the appealed action was modified, amended, revised, or changed as part of a renewal, as applicable. A party to the existing appeal is deemed to have appealed such a modification, amendment, revision, renewal, or revocation upon filing with the commission and serving on all parties an objection to the modification, amendment, revision, renewal, or revocation. The objection shall be filed with the commission not later than thirty days after the director files the statement with the commission regarding the modification, amendment, revision, renewal, or revocation. The objection shall state any new grounds of appeal resulting from the modification, amendment, revision, renewal, or revocation. The commission shall not charge a fee for the filing of such an objection. ...

(D) An appeal shall be in writing and shall set forth the action complained of and the grounds upon which the appeal is based.

The appeal shall be filed with the commission within thirty days after notice of the action. Notice of the filing of the appeal shall be filed with the appellee within three days after the appeal is filed with the commission. ...

(E) As used in this section and sections 3745.05 and 3745.06 of the Revised Code, "director of environmental protection" and "director" are deemed to include the director of agriculture and "environmental protection agency" is deemed to include the department of agriculture with respect to actions that are appealable to the commission under Chapter 903. of the Revised Code.

Order

On January 8, 2013, the Director of the Ohio Department of Agriculture ("Director" and "ODA") issued Order No. 2013-006 for Permit to Operate 75-150-PTO-002 to Irish Acres Dairy, LLC, as owner and operator of the concentrated animal feeding facility ("Facility") known as Irish Acres Dairy, LLC located at 11053 SR 705, Sidney, Ohio 45365.

On April 21, 2014, ODA received a request to transfer Permit to Operate 75-150-PTO-002 from Irish Acres Dairy, LLC to Irish Acres Sidney, LLC and a request for a Permit to Install additional liquid manure storage and add more dairy cows.

Rule 901:10-1-08 of the Ohio Administrative Code ("OAC") requires the holder of a permit to notify ODA of a proposed change in the ownership or operation of a facility so that the Director can review and approve or deny the requested changes.

Irish Acres Sidney, LLC notified the Director of the persons who have a right to control or in fact control management of the Facility within the meaning of paragraph (C) of Section 903.03 of the ORC.

Irish Acres Sidney, LLC provided the Director with the information required by paragraph (D) of rule 901:10-1-08 of the OAC regarding compliance history.

By the authority vested in my office by law, it is hereby

ORDERED that:

1. Based on Section 903.05 of the ORC and rule 901:10-1-08 of the OAC and based further on the foregoing additional information regarding compliance history submitted by Irish Acres Sidney, LLC and its members, the Director of the Ohio Department of Agriculture hereby

issues Order No. 2014-151 to transfer Permit to Operate 75-150-PTO-002 to Irish Acres Sidney, LLC as the owner and operator of the Facility:

Irish Acres Sidney, LLC
11053 SR 705
Sidney, Ohio 45365

2. All other terms and conditions of Order No. Order 2013-006 shall remain in full force and effect.
3. That, a Permit to Install be issued to Irish Acres Sidney, LLC and:

That the Permit to Install is valid for twenty-four (24) months from the effective date shown below. The Permit to Install expires twenty-four (24) months from the date shown below, unless there is a continuing program for construction or the permittee has entered into a binding contractual obligation to undertake and complete construction within a reasonable time. The Director may extend the expiration of the Permit to Install upon written request of the permittee in accordance with Rule 901:10-1-02 of the Ohio Administrative Code (OAC). The permittee shall notify the Department prior to beginning actual construction of any manure storage or treatment facility.

4. Stocking animals above the level allowed under the PTI and PTO is prohibited until the following documents are received and construction approved in accordance with Rule 901:10-2-01 of the OAC.
 - a) A notarized statement of the completed construction,
 - b) Approved as-built plans, and
 - c) An inspection of the facilities after construction by the Ohio Department of Agriculture.

...(B) Any person who was a party to a proceeding before the director of environmental protection may participate in an appeal to the environmental review appeals commission for an order vacating or modifying the action of the director or a local board of health, or ordering the director or board of health to perform an act. The environmental review appeals commission has exclusive original jurisdiction over any matter that may, under this section, be brought before it. However, the director has and retains jurisdiction to modify, amend, revise, renew, or revoke any permit, rule, order, or other action that has been appealed to the commission. The modification, amendment, revision, renewal, or revocation is subject to applicable public participation and public notice requirements and is subject to an appeal under this section or section 3745.07 of the Revised Code, as applicable. Not later than thirty days after the issuance of the modification, amendment, revision, renewal, or revocation, the director shall file with the commission and serve on each party to the existing appeal a statement notifying the commission and the party that the appealed action was revoked or describing how the appealed action was modified, amended, revised, or changed as part of a renewal, as applicable. A party to the existing appeal is deemed to have appealed such a modification, amendment, revision, renewal, or revocation upon filing with the commission and serving on all parties an objection to the modification, amendment, revision, renewal, or revocation. The objection shall be filed with the commission not later than thirty days after the director files the statement with the commission regarding the modification, amendment, revision, renewal, or revocation. The objection shall state any new grounds of appeal resulting from the modification, amendment, revision, renewal, or revocation. The commission shall not charge a fee for the filing of such an objection. ...

(D) An appeal shall be in writing and shall set forth the action complained of and the grounds upon which the appeal is based.

The appeal shall be filed with the commission within thirty days after notice of the action. Notice of the filing of the appeal shall be filed with the appellee within three days after the appeal is filed with the commission. ...

(E) As used in this section and sections 3745.05 and 3745.06 of the Revised Code, "director of environmental protection" and "director" are deemed to include the director of agriculture and "environmental protection agency" is deemed to include the department of agriculture with respect to actions that are appealable to the commission under Chapter 903. of the Revised Code.

Permit to Install
Permit to Operate

Order No: 2014-146

**Permit to Install No. 6-208-PTI-001
Permit to Operate No. 6-208-PTO-001**

Daryl Bowersock
03097 State Route 197
Spencerville, Ohio 45887

Applicant(s):

Based on Sections 903.02 and 903.03 of the Ohio Revised Code, the Ohio Department of Agriculture hereby identifies Permit to Install No. 6-208-PTI-001 and Permit to Operate No. 6-208-PTO-001 for the following Facility:

Bowersock Pork
03097 State Route 197
Spencerville, Ohio 45887

Based upon findings that the Facility is of correct design capacity; that the Facility's Manure Management Plan, Insect and Rodent Control Plan, and Mortality Management Plan all conform to best management practices; and that the Facility is to be operated in a manner that protects the waters of the state,

By the authority vested in my office by law, it is hereby

ORDERED:

That, a Permit to Install and a Permit to Operate be issued for Bowersock Pork.

1. That the Permit to Install is valid for twenty-four (24) months from the effective date shown below. The Permit to Install expires twenty-four (24) months from the date shown below, unless there is a continuing program for construction or the permittee has entered into a binding contractual obligation to undertake and complete construction within a reasonable time. The Director may extend the expiration of the Permit to Install upon written request of the permittee in accordance with Rule 901:10-1-02 of the Ohio Administrative Code (OAC). The permittee shall notify the Department prior to beginning actual construction of any manure storage or treatment facility.
2. The Permit to Operate is valid for a period of five years and is subject to the following terms and conditions:

Stocking animals above the level allowed under the PTI and PTO is prohibited until the following documents are received and construction approved in accordance with Rule 901:10-2-01 of the OAC.

- a) A notarized statement of the completed construction,
 - b) Approved as-built plans, and
 - c) An inspection of the facilities after construction by the Ohio Department of Agriculture.
3. That the Permit to Operate shall expire at midnight on a date five years from the effective date shown below. In order to receive authorization to continue to operate beyond the date of expiration, the permittee shall apply to renew the Permit to Operate from the Department of Agriculture not later than one hundred eighty days prior to the expiration of the Permit to Operate.

That a certified copy of this Order be sent to Daryl Bowersock.

Effective Date of this Order: Upon journalization.
